

## WCCS Inclement Weather Alerts

During inclement weather or power outage, every effort will be made to continue the meal program. However, for the safety of our drivers and community dining participants, extreme conditions may cause us to cancel meal service. Home Delivered Meal participants receive one "shelf stable" meal and one frozen meal for use during weather emergencies. Everyone should keep enough shelf stable food and water for 72 hours in case of emergency.

Please check your local TV stations for updates on closings:  
Cincinnati - WLWT Channel 5 and WKRC Channel 12  
Dayton - WKEF ABS Channel 22 and WDTN ABC Channel 2  
FOX Channels 19, 45, and 64
