

# Do not be a victim of this scam!

**Currently, there is a scam perpetrated  
under the name of HEAP.**

**Specifically, people are being contacted by someone  
indicating they are representing HEAP with a new program;  
*HEAP Connect* saying the program provides clients with a  
\$100 voucher monthly for use at  
Walmart, Macy's, and/or Giant Eagle.**

**The client is then asked to provide their HEAP account  
information and a small enrollment  
fee of \$1.95, via debit card.**

**HEAP will NEVER solicit you for money!**

***Please share this information with others so they  
DO NOT become part of this SCAM!***

**Please call the Attorney General Consumer Protection  
at 1-800-282-0515 if you or someone you know has
